

12 HOURS OF FREE TUITION IN SPRING 2010

Will you be lucky enough to win?

Are you a degree- or certificate-seeking student with fewer than 30 LLCC credit hours accumulated? Watch your LLCC e-mail account on Nov. 2 for a special invitation. If you are invited to complete the online Foundations of Excellence survey and do so between Nov. 2 and 13, you will be in the running for major prizes, including up to 12 hours of regular, in-district tuition for the Spring 2010 term.
